You donâ€™t want your life to end and think about all of the things that you didnâ€™t do, didnâ€™t try, or were too afraid to experience. You want to put yourself out there, spend your life by doing things that make you feel amazing. Youâ€™ll be able to look back and know that you spent your life rather than spent your time protecting it. 28.

Remembering that I'll be dead soon is the most important tool I've ever encountered to help me make the big choices in life. Because almost everything - all external expectations, all pride, all fear of embarrassment or failure - these things just fall away in the face of death, leaving only what is truly important.
